Experience

Senior UI/UX Designer

Universaltech R&D

May 2024 – April 2026

Remote

- Led end-to-end design and launch of an asset management platform, securing \$1M+ in investor funding.
- Designed a Financial Super App for the UK market, unifying high-intent financial services into a single frictionless ecosystem.
- Designed a property discovery platform for the UAE, focused on increasing qualified leads for real estate agents.
- Built a Design System to standardize components and speed up handoffs, reducing project delivery time by 30%.

UI/UX Designer

Universaltech R&D

May 2023 – April 2024

Remote

- Shipped V1 and V2 of a B2B mobile app for mortgage brokers, streamlining daily workflows and improving task efficiency.
- Designed a B2C mobile app that simplifies the mortgage application journey, making it easier for users to apply and track progress.
- Redesigned a CRM platform to streamline mortgage processing for advisors, now used by 100+ mortgage brokerages across the UK.

UI/UX Designer Intern

Tallykhata

March 2022 – June 2022

Dhaka, Bangladesh

- Conducted user interviews and A/B testing to gather feedback and better understand the needs and pain points of target users.
- Took an active role in developing new features and functionalities such as mobile payment, back office portal, digital wallet, etc.
